**Please provide a brief explanation as to why this Club should be placed on or removed from the ballot for the upcoming Platinum Clubs® of America 2023-24 election.**

I hereby request that the Tokeneke Club be considered for Platinum Clubs of America 2023-24.

The Tokeneke Club is nestled in a private enclave on an idyllic cove, with breathtaking views of the Long Island Sound from the entire property. Surrounded by the natural beauty of a protected tidal cove, bustling Rowayton Harbor, and beautifully landscaped homes & estates, the Club serves as a treasured retreat from the demands of daily life. Incorporated in 1907, the Tokeneke Club has come a long way since it's simple beginnings, now with over 340 member families and a robust waitlist. Unchanged however, is the Clubs steadfast commitment to a fun, family-centric culture.

The Club features the highest caliber of food and beverage services at multiple formal and casual dining outlets as well as private event venues. The Club boasts a premier level racquets program (ranked 31st in the country amongst all Clubs by Boardroom Magazine), regarded as one of the best in Fairfield County, with nine (9) Har-Tru tennis courts, and four (4) paddle tennis courts. In addition to racquet sports, the Club has an Olympic sized swimming pool, a private beach and Club cabanas. The Club also features a one of a kind indoor/outdoor ballroom with retractable walls and roof for events ranging in size from 50 to 550 persons.
